## Digi Ethernet Gateway Compatible With Itron ChoiceConnect

in [News Departments](#) > [FYI](#)  
 by [Renew Grid](#) on Tuesday 08 March 2011  
 

QualityLogic Inc., a provider of testing products and outsourced quality-assurance and engineering services, has completed interoperability testing between Digi International's ERT/Ethernet Gateway and Itron's ChoiceConnect advanced metering platform.

"QualityLogic's certification lets our customers know immediately that the Digi Ethernet Gateway meets Itron's standards for compatibility and interoperability," says Larry Kraft, senior vice president of global sales and marketing for Digi International.
