Meet us in ITEXPO, Miami Beach Feb. 2nd-4th, 2011

Digi International is currently above its 50-day moving average of \$8.90 and above its 200-day moving average of \$9.48. Look for these moving averages to climb to confirm the company's upward momentum.

SmarTrend will continue to scan these moving averages and a number of other proprietary indicators for any shifts in the trajectory of Digi International shares.
