

RUGGED. RELIABLE. **REBATE.**

SAVE \$75 (US Dollars)

Act now! Offer ends 10/31/16

We want to take you to the future. And you can take that to the bank.

Meet the future of enterprise connectivity, the Digi TransPort WR11 XT. A secure, reliable connection to ATM, digital signage, POS, and remote backup systems on third party sites or remote locations. This drop-in connectivity gives operators a way to reduce the cost of downtime and service calls and also increase revenue by bringing distributed sites online faster. And from now until 10/31/16, **save \$75** on each and every Digi TransPort WR11 XT you purchase.

But wait, there's more.

If you act now, you'll also receive **90 days of free access** to the Digi Remote Manager® platform to centrally manage and troubleshoot all your remote devices.

Benefits of the Digi TransPort WR11 XT

- Global HSPA+ and 4G LTE support
- Extremely resilient cellular connection through patented Digi SureLink™, VRRP+ protocol and dual SIM slots
